CLEAN AMENDMENT OF THE CLAIMS

1
2 In the Claims:

3 Please amend Claim 35 as follows.

4 35. (Amended) The system of Claim 33, wherein each electronic device includes:

5 (a) a microphone operatively coupled to the electronic device and which produces
6 audio signals in response to words spoken by a user into the microphone; and

7 (b) at least one sound transducer operatively coupled to the electronic device so as
8 to replicate sounds corresponding to an audio data signal received over the communications network
9 by the electronic device to which said at least one sound transducer is operatively coupled.
